Fall Sale
2021

SATURDAY
NOVEMBER 27TH
1:00 PM

STANLY COUNTY
LIVESTOCK
NORWOOD, NC

WELCOME

to our 2021 High Ridge Farms Sale

This year we will be offering only bulls, but have asked numerous commercial producers to participate with bred females.

Our bull offering may be some of the best we have bred to date. Our HRF program is known for functional cattle that carry the style and power needed for today's beef industry, and built for the long haul for profit to enhance your bottom line.

Please call or come by anytime to view the herd and talk cattle.

Thank you for your continued support of our program.

Ninety Proof certainly lives up to his name! This 1,900# bull by the high indexing sire EWA Ascend 7306 not only puts on the pounds with a huge .9 BW to 149 YW spread, but is extremely attractive. This high marbling, high milk bull will not only produce exceptional feeder calves, but leave you with gorgeous replacement females. Definitely a heifer bull. We used him June-Sept 2021 on our replacement heifers. If we were still showing cattle he would be in the first string!

On Time is sired by RB Absolute Advantage, a sire we used heavily to add pounds, structure and good looks. His mother, SAV Emblynnette 2190 has been a major contributor to our success since 2014, producing numerous top sellers in recent sales. She sold in our 2020 Sale to ZWT Ranch in Crossville TN. This may be one of the best Angus bulls we have ever bred and raised. Thick topped, big butt, excellent feet and legs, he has been flawless since birth.

Odds On is flush brother to the top selling heifer in our 2019 sale, selling for \$10,000 going to Nebraska. His mother, our top Donor cow, BC Madame Pride 404, is the perfect Angus cow, putting muscle, good looks and reproductive traits in all her calves. She has 17 calves Genomically tested, and we have calved 11 of her ET calves so far this year. My intent is to build a herd around this cow! Don't miss this attractive heifer bull! He will add pounds. Keep all his heifers!

If you look at this bull's papers, you see Bruce Cuddy's breeding objective. Sired by the 2020 Denver Pen Champion Chestnut Redemption 38, out of HRF Madame Pride 803, flush sister to our \$10,000 heifer. Grandam is 404, and great grandam is 2551! Maternal power in an absolute perfect package! HRF Elko 019 is definitely a heifer bull that could be used in any Elite herd in USA. The first 12 bulls to be sired by Redemption 38, averaged over \$12,000, with top seller at \$70,000. There will be no more like HRF Elko 019, we lost both his sire and dam this summer. Semen is available on his sire at High Ridge Farms, or Cattle Visions.

Three Barstow Cash flush brothers that will knock your socks off! Easy keeping, thick, big butted bulls that will improve any breeding program. Can you imagine taking a load of calves that look like these three to market? Their dam SAV Madame Pride 2599 is one of the most powerful cows we have ever owned. Whether mated Angus or Simmental, her calves always excell. If you are looking to buy two bulls, two of these boys will really impact your next calf crop with consistency and quality. Not recommended for heifers.

Totally homebred, these 3 flushmates out our Donor HRF Lovin' U F18 have made us proud. The baldy H18 is my superstar! This calf has attracted attention since birth and will definitely be a crowd favorite Sale Day. All three 3/4 SimAngus™ bulls are heifer bulls, with the ability to add pounds as well as maternal traits. Their dam, HRF Lovin' U F18, was a great show heifer that really added pounds to her calves. These are the first Double Bar D Annuity 635F to sell. Don't miss these brothers.

FLUSH BROTHERS:

Mr. HOC Broker
Ruby SWC Battle Cry 431B
SWC Ruby Yetti 143Y
S A V 707 Rito 9969
S A V Abigale 2062
S A V Abigale 6482

Another 3 flushmate brothers. Ruby SWC Battle Cry is a long established Simmental superstar, and these bulls out of Donor cow SAV Abigale 2062 demonstrate that. Look at these 3 brothers and pick the best, you can't go wrong. Again, if you need more than one bull, a pair of these would definitely put some consistency in your calf crop, and \$\$\$ in your pocket. All are Homozygous polled and black.
